I am requesting service at:

Addition \_\_\_\_\_ Block# \_\_\_\_\_ Lot# \_\_\_\_\_

I agree to remit payment for water service upon the receipt of each monthly statement. I understand I am responsible for the water payment whether I receive the monthly statement or not. I understand failure to remit payment will risk the discontinuation of water service.

I understand this water application is for one water meter which services one residence or business as described in the By-Laws of RWD#8.

I have been given a copy of the By-Laws of RWD#8.
